

## About WHSC

WHSC is all about swimming and recreation in a relaxed, family-friendly environment. We have a huge main pool with diving well and lap lanes. We are the only pool in Montgomery County to offer an expansive shallow area in our main pool for young swimmers. In addition we have a basketball court, sand volleyball, ping pong, shuffleboard, shaded baby pool with toddler play area and dining patio – all on a secluded 10 acre campus away from busy highways. We are one of the least crowded and least expensive private swim clubs in Montgomery County. Your family can swim this summer for less than \$5 a day!

## Join the Dolphin Swim Team

West Hillandale is a charter member of the Montgomery County Swim League. Our swim team is open to children ages 5 to 18 of all skill and fitness levels. The swim team is a great way for kids to learn lifetime swim skills in a fun, supportive environment. Our swim team has weekly parties throughout the season, including pancake breakfasts, lasagna dinners, tie-dye parties, pep rallies and more.

## Membership Dues

### Family: \$475

A family is defined as one or two adults and all children, other immediate relatives, and child caretakers (i.e., au pair or nanny) living in the same household under the same roof.

### Couple: \$365

A couple is defined as a two-person household (i.e., two adults living in the same household, or a single person with one child).

### Single: \$285

A single is defined as one adult over the age of 18.

### **\*New Member Initiation Fee**

This one-time only \$260 fee purchases a voting share in the club. If not including in annual fee, this may be paid over a two year period.
